**Note from Jennifer Lay**  
(Riverside BIA) Executive Director

The Riverside BIA is celebrating 45 years of community building this year! It all started with a few local business owners meeting together around their kitchen table and bringing community-minded visions to life. I'm so proud to be helping host this 11th Riverside Eats & Beats Streetfest, and celebrate this important milestone for the BIA together!

**Note from Councillor Paula Fletcher**  
(City of Toronto) Ward 14 Councillor

Welcome to Riverside and the exciting Eats & Beats Streetfest celebrating local food and music. The festival is a great way to explore the restaurants and shops Riverside has to offer. Now, more than ever, it's important to 'Love Local' by supporting these fantastic local businesses.

**Note from Dave Watson**  
(Eastbound Brewing Co) Event Chair

As a Riverside BIA Board member, I am thrilled to be chairing the Riverside Eats & Beats Committee to bring back the festival this year. Thank you to all of the participating businesses and community organizations, as well as our amazing staff and volunteers who are bringing it back to the streets!
